

New National & Provincial Partner

Football PEI is excited to announce its partnership and adoption of TeamLinkt as the provincial registration and League/Club Software Provider.

TeamLinkt, now the national provider for Football Canada, is a modern, easy to use Canadian based platform that will replace our current Goalline system. TeamLinkt's platform, including registration, scheduling, communication and websites, are free for all of our leagues and clubs, plus they have a great, full-featured, Team Management App that is free for your teams.

TeamLinkt is committed to working with Football PEI and it's members to adopt and support the platform, and evolve with us as our needs change over time. We've outlined more information on the TeamLinkt system, the benefits to your organization and below is a link to the transition steps. Don't hesitate to reach out to us or TeamLinkt if you have questions!
